Class Trips

Camp Roger Dates have been finalized for 6th (this fall) and 7th (spring) grade students.

The Chicago trip for 8th grade students has tentatively been scheduled, we're just waiting on the ok from the host for the overnight portion of the trip.

Washington DC trip for HS (10th / 11th) is still being considered. Kids deserve something special, how can we do it safely and without risk of having to cancel? Lots of options and ideas were discussed, including doing something more local and outdoors this spring and pushing back until next year (more opportunity to fundraise for it / likelihood of not having things cancelled) or trying to make it happen. More discussion to come!

★ Student Report-Student Government-Senior Trip, Homecoming ★

N/A - No student representative in attendance. We will look to have more updates for the November meeting.

Funds/Fundraisers-

Box Tops - download the app and scan your products - easy peasy!

Family Fare - save receipts (more information on where to bring coming!)

Can Drive- our last was quite successful. Talks of redoing this.

Penny Drive / Fundraisers (WF chocolate bars, soda at school, etc)

Learner Growth Journey - send letters to families telling them of our upcoming trips and asking them to partner with their students in helping to make them happen. We discussed this at length and many great ideas were brought to the table. We discussed snail mail letters vs. postcards vs. e-mail. The last time this was done in 2018 over \$8,000 was raised.

Student Led Fundraising Efforts - kindness.raisecraze.com

This website was also brought up - lots of great ideas around community service for fundraising as well as selling products or asking for donations. We're going to explore more and talk about it at our next meeting.
