★ Fundraising-

We talked quite a bit about Learner Journey's - All families with Museum students should have received a ½ sheet explaining last Monday, an e-mail on Wednesday and a FB post on the PTCC website on Saturday. Since then \$1,100 has been raised. We will be creating a FB event so people are able to share with others and keep updated on where we are at, as well as an e-mail update and Remind text after break as a last reminder to participate before the January 8th end date.

We also talked through what else should be added to future Learner Journey info including photos of students on trips, preferred means of payment and non-profit status added to the e-mail letter.

More consideration will be taken on other fundraising ideas in 2022. Popcorn sales, pop can returnables from the museum, senior parking spot raffle and other fundraising ideas were all brought to the table. Lots of great ideas.

★ Cafe in the woods

Meeting times for parents to connect with Dr. Hanks, Ms. Rowland and Ms. Mathes were presented. Ms. Mathes will follow up after speaking with the others and potentially begin this next year.
