Joanna, Estaban, Abby

Abby (the new middle school student council president) was in attendance for our meeting and filled us all in that they are just getting started and will be holding their first middle school government meeting on January 26th. They will talk about fundraising opportunities for events such as school dances and other fun community activities. Annika (8th) is her vice president, Ruby (7th) treasurer, and Maya (8th) secretary. There are also two student representatives in each grade level.

Possible Speaker -

We talked about the possibility of having a parent within our school community speak at the beginning / end of our PTCC meetings on topics that would pertain to parents (anxiety in teens, finances, etc) If there is any interest or you know of someone that would be a good fit, please reach out to any of the PTCC board members to talk in more detail.

Treasurer Report

Laura Workman spoke to our current balances and has done some hard work around getting everything organized for us financially. (yay!)

We raised \$1,183.91 for Learner Journey's with only 13 donors. High yield despite lower numbers. We will look to tweak the way we do this in the future, but are happy with the results.

Current balance for PTCC is \$3,976.47 and Class of 2022 \$4,207.37

We even had a donation for the Class of 22 that helped pay for scholarships for 3 students for their senior trip deposits.
