High School - Leah joined us from the HS with an update on yearbooks. She shared that they should be ready to print by April 15th and will be arriving for students (delivered) May 6th. The total price is \$32.00 with \$2.00 from each yearbook aiding in financially supporting (fundraiser) students with that need. Mr Lawton is running the club.

Middle School - Abby Lyons joined us from the MS with an update on

some of the fundraisers they have been promoting. Penny Wars raised over \$200.00 with the 6th grade class as the top fundraisers. Candy Grams start Wednesday and go through Friday (2/9/22-2/11/22) Students pay \$.50 per candygram and their note will be delivered to a friend of choice next week with a dum dum sucker or small chocolate attached. Families Supporting Families

We also brainstormed ways to support our community (families that owned or worked at restaurants is how the conversation was started) and came up with the idea of creating a spreadsheet where businesses or services could be shared amongst our community and supported. We will be sharing this and updating our website with everyone who would like to be included.
