as Teacher Appreciation. A portion of this went to support the Teachers Happy Hour event at the HS and the remainder will go to providing teachers lunch two days of teacher appreciation week. \$300.00 is what is remaining.

★ Fundraising-Heritage Hill Pizza -

Chimere will be following up with them to see what this will look like, but HH Provenzano's Pizza agreed to partner with our school with a percentage of the proceeds for every purchase (with a ticket / coupon) to go back to our school. We are very excited for this partnership and will be looking into other partnerships with local businesses as well. Once we have this figured out, it will go into the Link Letter as well as being passed out to students and available at the front desk. Alecia agreed to help Chimere with this as well.

★ PTCC Board open positions- VP next year

Jessica Lyons was nominated for this position and would like to step into it next year. We will vote and finalize at our next meeting.

★ Teacher appreciation-

A Musee News / FB update will be posted thanking parents for their donation / sharing pictures of the event that already took place and letting them know what our plans are for Teacher Appreciation Week. We are thinking of lunch from Jimmy John's for Tuesday and Pizza on Thursday. We will also use any additional funds to provide drinks and snacks. Parents can also drop off any treats that week as well.
