Misc, Questions, Concerns -

Can a framework for planning events early/across multi years be created? Would this conflict potentially with district events?

How does the school and PTCC best leverage social media and messaging to reach as many people as possible? Ideas include, making the Musee News more succinct, putting "at a glance" dates in the body of the Musee email, posting them as the header of the "Parents of" facebook page, and publishing more news on the Museum School Facebook Page.
