### Purpose / Function of PTCC

We exist to support the staff and students of GRPM school ([www.museumPTCC.org](http://www.museumPTCC.org))

We aren't a school board of directors, we're a Parent Teacher Community Council - We act as a support committee.

Some of the ways we support are through:

# MUSEUM SCHOOL PTCC

Parent Teacher Community Council

- Fundraising for supported activities and school trips for students.
- Supporting teachers and admin with appreciation lunches, break room snacks, etc.
- Keeping families up to date with what's happening at school via website and social media.
- Monitoring and answering questions on Facebook
- Staying in touch and in the know on events happening - connecting with student government and school admin monthly.
- Planning and running meetings for PTCC.
- School improvements, only through supporting activities. (Improvement needs beyond that would be directed to Dr. Hanks.)

## PTCC Goals for the Year

- **Support staff / students as events come up** - This looks different from year to year. We're in contact with student government reps as well as Dr. Hanks and Ms. Rowland monthly. Meetings cover upcoming events, and we talk about ways to support.
- **Fundraise** - We don't define when/what we specifically fundraise for but are ready to actively help in fundraising in areas for which assistance is needed.

## Areas of Priority

- **Build Involvement:**
  - Grow our numbers.
  - Offer plenty of opportunities for parents to be able to get involved.
  - Get middle school family involvement and a team to step into PTCC roles within the next 1-2 years. (Current board members have been serving beyond 2 year commitments.)
- **Better define what we do as a group so parents are aware as to how they can assist and where to go for assistance.**
